Description

Unstitched 3 piece suit with a printed lawn shirt, a dyed cotton trouser and a printed chiffon dupatta. Soft, light fabric that is comfortable for everyday summer wear.

What's Included

- Printed lawn shirt front: 1.25 m
- Printed lawn shirt back: 1.25 m
- Printed lawn sleeves: 0.65 m
- Embroidered neckline patch: 1 piece
- Printed chiffon dupatta: 2.5 m
- Dyed cotton trouser: 2.5 m

Fabric & Design

The shirt is made from fine 100% cotton lawn with a soft hand-feel that breathes well in hot weather. The floral print is digitally printed so colours stay sharp and do not bleed after washing. The chiffon dupatta has a matching print with a light, flowing drape, and the cotton trouser is piece-dyed in a coordinating shade.

This design is part of our summer collection, inspired by traditional block-print motifs reworked in a modern colour palette. It can be stitched as a straight shirt with cigarette pants, an A-line kurta, or a classic shalwar kameez.
